Status	Name			ID card number			Domicile			Signature or seal
Subject of general compilation										
Applicant										
Agent										
Assigned commission	The application for this general compilation is commissioned to _____. The assignor is undeniably the holder of right or his heir and the administrator of the object of registration. Their status has been checked with no doubt. The agent will be responsible for legal duty should it be untrue.									
Attached documents	1. Number of copies:		3. Number of copies:		5. Number of copies:					
	2. Number of copies:		4. Number of copies:		6. Number of copies:					
Record of the treatment of the case	Initial examination		Re-examination		Decision		Notes for application and collection of fees			
							1. The application is limited to the general compilation data of the same landowner or holder of other rights, or administrator. Separated application forms should be filled up and extra fee will be charged if there are applications for the general compilation data of different subjects of general compilation.  2. According to Paragraph one of Article 8 of the Regulations for General Compilation of Landowners' Properties: Landowners or holders of other rights or their heirs, or the administrators may apply for inquiring, viewing or copying of their data in general registers of landowners.			
	Operator of printing	Number of sheets	Number of property	Number of record	Fees					

Record of the treatment of the case	Calculator	Receipt	Signature or seal of the applicant upon receiving the result of application	<p>3. <u>For the time being only the nation-wide compilation data of landowners or administrators can be queried</u>, the form includes data such as County (City), Village (Township, City, District), Section (Sub-section), lot number, area, scope of right, use zone and assigned land category etc.</p> <p>4. Applicants shall submit identification paper and the papers requested by the competent authority of the Central Government. If the application is filed by agents, the certificate of commission and documents of evidence to prove the status documents shall be submitted.</p> <p>5. NT\$400 shall be paid for each application of the compilation data besides the payments of viewing fees, printing fees or information fees:</p> <p>(1) Viewing fees: NT\$20 for each lot (building) per 10 minutes, for those less than 10 minutes would be deemed to be 10 minutes.</p> <p>(2) Printing fees : NT\$20 per sheet.</p> <p>(3) Information fees : NT\$0.5 per record to round up to one dollar, whatever less than NT\$1 would not be charged.</p> <p>6. This case has used the ID card number or name of the landowner whose properties are generally compiled for querying and is the result of searching the 「National land basic database」 of Ministry of the Interior. That database is a nationwide collection of cadastral data of land and constructional improvements in the database of each Municipal, County (City) government which synchronizes with each other in response to changes. However there still exist time lags among those databases in response to changes.</p>
